

CHICOPEE BEACH VOLLEYBALL RULES & REGULATIONS: 2017

**2017 Captains Meeting: Thursday, May 18th, 2017 @ 6:00pm (Wednesday League)
and @7:00pm (Thursday League) in the Silvertip Lounge**

LEAGUE FORMAT:

- a. **14 week session: 14 weeks + 2 weeks of playoffs**
- **Wednesday League- June 1st to August 31st**
 - **Thursday League- June 2nd to September 1st**

EQUIPMENT: Nets, Antennas, Lines, Balls, Flip Scoring

Chicopee will supply each league with balls, nets, lines, antennas, and a scoring flip chart. Balls that become old and not useable will be replaced. Each night teams will receive four balls and they will be replaced accordingly throughout the season. "CHICOPEE" will be written on each ball, so there should be no mistake as to which balls belong to the facility. Please advise staff of any damages or needed up-keep.

SCORING SYSTEM: Rally Point Scoring

Rally point scoring is a format of scoring where points can be won by either the serving or receiving team. Score is kept until the buzzer sounds. Once the buzzer sounds, if the ball is still in play, teams will continue play until the point is finished. Tie games after the buzzer are final. At the end of each game, please report all score to the hillside hut.

The first two games to 21 capped. The third game to 15 capped.

PLAYERS AT THE NET:

Reaching beyond the net

- a. A blocker may touch the ball beyond the net, provided that he/she does not interfere with the opponent's play, before or during the opponents attacking hit (3rd contact).
- b. A player is allowed to pass his/her hand beyond the net after his/her attacking hit.

- c. Therefore, the attacking player must touch the ball before it is blocked by the opponent for the block to be legal.

Contact with the Net

- a. Contact with the net by a player is not necessarily a fault. If it is made during the action of playing the ball or it interferes with play – it is a fault.
- b. Once the player has hit the ball, he/she may touch the post, rope or any other object outside the full length of the net provided that this does not interfere with play.
- c. The ball can contact any part of the net and its supporting ropes and cables, but not the poles, antennas or eye hooks, during play.
- d. A serve hitting the net and clearing the net is considered **IN PLAY**.

PLAYING THE BALL:

- a. Each team is entitled to a maximum of **3** hits (in addition to blocking) to return the ball.
- b. Players must play the ball off any part of their body, including feet. Note: Kicking the ball is allowed.**
- c. Open handed tips are allowed.
- d. Overhand, underhand and jump serves are all allowed.
- e. A touch on the block does not count as one of the three contacts allowed per team (block +3 touches)
- f. The ball can be played back to one's side of the net if it has crossed past the imaginary extension of the net on the sides of the court or under the net as long as a team has one or more contacts left.
- g. Spiking the ball is allowed.
- h. You may **NOT** spike or block the ball on a serve.

SERVING:

- a. Rotate new players in before your teams starts a new server
- b. A server may serve the ball from anywhere along the baseline
- c. Net serves are allowed (the ball is allowed to contact the net on a serve)

- d. **A maximum of 5 serves per player. After 5 serves a team rotates but still has serve, the other team just has the option to rotate their position as well.**

REFEREES:

There are no referees, all games are self-officiated. Teams are required to call their own violations to ensure sportsmanlike play of the league. Any disagreements in judgment calls result in a replay

PLAYING THE GAME:

- a. Games are 40 minutes in length.
- b. Each match will consist of a max of 3 sets (time permitted). Games are played to 21 points capped.
- c. Teams will receive 2 points for every set they win, 1 point for every tie and 0 points for a loss.
- d. A forfeit loss will result in a 21-0 win for the opposing team.
- e. Once the buzzer sounds to end the game, the buzzer will automatically reset, and within 5 minutes, the next set of games will begin.
- f. For both Wednesday and Thursday night leagues, teams must have at least 2 men and 2 women on the court at all times.
- g. **A team member from each opposing team is required to walk into the 'Hillside Hut' and physically write down the score on the score sheet following each game, as well as initial in the appropriate location.
